High Physical Support. Elevated Living.

Set in the well-connected suburb of Beckenham, this premium High Physical Support (HPS) SDA home is expertly designed to combine advanced accessibility with refined residential style. Spacious interiors, seamless transitions and high-quality finishes create a calm, contemporary environment that supports independence while enabling efficient, dignified support. Every element has been carefully considered to meet HPS requirements—delivering comfort, functionality and long-term livability without compromising on aesthetics.

The home is ideally positioned just minutes from Beckenham Train Station, providing easy access to the Perth CBD and surrounding suburbs. Westfield Carousel Shopping Centre, Mills Park, local cafés and everyday services are all close at hand, while major arterial routes such as Albany Highway ensure effortless connectivity. Leading medical facilities, including Fiona Stanley Hospital, are within convenient reach. This is a standout SDA offering—where high physical support capability meets sophisticated design in a highly accessible metropolitan location.
