**Independent Living, Elevated — A Refined SDA Home in Lakelands**

Set within the coastal lifestyle community of Lakelands, this architecturally designed 3 x 3-bedroom SDA Improved Liveability (IL) home offers a sophisticated balance of independence, comfort and thoughtful accessibility. Designed to a high standard, the home features generous proportions, multiple living zones and high-quality finishes throughout, creating a calm and contemporary environment that feels distinctly residential rather than clinical. The layout supports ease of movement and day-to-day functionality, making it ideal for participants seeking independence with discreet, built-in design support.

Perfectly positioned, the home is moments from Lakelands Shopping Centre, Mandurah Forum, local medical centres and allied health services, with Mandurah Train Station providing direct connectivity to Perth. Nearby coastal parks, walking trails and beaches enhance lifestyle and wellbeing, while close proximity to Peel Health Campus offers peace of mind. This is a premium SDA offering where Improved Liveability meets location, lifestyle and long-term comfort — a place to live well, independently, and with confidence.
