ROBUST

CONTEMPORARY

Set on the banks of the Avon River, Northam is one of Western Australia's most welcoming regional centres—combining country charm with modern convenience. Just over an hour from Perth, residents enjoy the best of both worlds: access to quality health services, schools, shops, and community facilities, all within a relaxed lifestyle setting. From heritage architecture and vibrant local markets to wide open spaces and the famous Avon Descent, Northam offers a rich community spirit and a lifestyle that is both connected and fulfilling.

This robust home is design for people seeking a safe and resilient home environment, whilst also maintaining a desirable homelike feel. The home uses a modulated approach to support private and parallel living with opportunities for socialisation when desired. In addition to you having your own private bedroom suite including bathroom and alfresco, there are also several living and outdoor areas. This home can support 2 SDA eligible tenants. Onsite staff areas support discreet support provision.
