ROBUST

CONTEMPORARY

Just 45 minutes south of Perth, Rockingham is a coastal community that blends beachside living with modern convenience. Residents enjoy access to pristine beaches, vibrant foreshore cafes, shopping centres, health services, and excellent transport links, creating a lifestyle that is both relaxed and well-connected. With its strong sense of community, outdoor recreation opportunities, and welcoming atmosphere, Rockingham offers an inclusive and practical place to live, connect, and belong.

This robust home is design for people seeking a safe and resilient home environment, whilst also maintaining a desirable homelike feel. The home uses a modulated approach to support private or parallel living with opportunities for socialisation when desired. In addition to you having your own private bedroom suite and private bathroom, there are also several living and outdoor areas. This home can support 2 SDA eligible “robust’ tenants. Onsite staff areas support discreet support provision.
